12-WEEK FINANCIAL BIBLE STUDY COURSE TO BE OFFERED IN JANUARY

In January, HCC will begin another Crown Ministries 12-week Bible Study Course for people who want to learn to manage their finances according to God's biblical principles. This nationally recognized course has helped thousands of people across the country to budget better, reduce or eliminate their debt, give more generously, and save more consistently. If you are interested in knowing more, please fill out the form below and we will notify you about a November informational meeting concerning this 12-week Bible study that will be offered again in January.

BENEVOLENCE HELP

HCC is committed to helping people in financial trouble through the Crown Ministry 12-week Bible study. One of the Crown Ministry Bible study attenders is a single woman in her 50's who became a Christian in the past year. She is faithfully attending the financial Bible study and is receiving

personal financial counseling from the church. Because of her desire to get out of debt, she needs help from our church family in two ways:

#1 - Used Automobile: If anyone has a dependable used automobile that could be loaned to this woman OR that could be donated to the church to be given to this woman, this would be a great help in allowing her to get to and from work.

#2 - Shared Lodging: If someone has room in their home, this woman needs a free place to stay for at least 12 months. This would allow her to stabilize her finances and use her paycheck to pay off the majority of her debts. If necessary, she is willing to be of some help in the home in exchange for free lodging.

If you are able and willing to help this woman with either need...

...please immediately notify Brian Kluth at his office (483-1945 #22) or home (427-5455).

needy honors God."***
